President's Report :

I hope all members read this newsletter through as there are issues that may concern you. In due diligence, the 7 club officers had a couple meetings and decided that there are some issues in the club constitution that needed updating prior to this next flying season. This wording changes will be presented at our February 2 meeting for a approval by a 2/3 vote of those present. These changes are in this newsletter for your review prior to the meeting. By doing this in the newsletter we hope you will review the modifications prior to attending, and hopefully approve. Since you will be aware of the proposed changes, it will save much time at the meeting as discussion limited due to time constraints.

At the February 2 meeting we will be voting on three new members: George Herman, James Knat, Linda Knat, who had applied for membership back in December. If the three mentioned are voted in we will have reached our 65 member limit for the year 2010. We will have three remaining on the waiting list to date.

Our club has been invited to attend a tour of Preferred Air Parts and the Wayne CO. Airport to view Medvack. The dates for the tours is to be set up at the February meeting.

We have been approached by Mark Ellison for approval of a A.M.A. helicopter contest at our field on Saturday July 17, 2010. Flying will take place on the North field only. It will run from 9:00 a.m. till 6:00 p.m. with awards. He is expecting only about 8-10 entrants, as currently there are no heli contests in Ohio. Mark will provide food, beverages, and awards. He requests a rain date of the following Sunday, July 18. He will be looking for club participation for judges, timekeeper, scoring assistants, etc. This event will in no way effect flying on the south field.

There will be a swap meet Sunday Jan 24 at Uniontown for those interested.

Our next scheduled meeting will be Tuesday February 2 at the Wayne Co. Library meeting room at 7:00 P.M.
